About Us

All Gather Coffee is a mobile coffee catering business. We are a Latino, family owned business. In 2023, my husband and I built our own coffee cart and began selling coffee drinks at our local traders village, popups, family gatherings, and farmers market. *Cafecito time*, is an experience, a moment to relax and unwind and a time to catch up with friends and family. Our coffee is produced in Honduras and is rich in flavor. Allow us to make your *cafecito time* extra special by selecting one of our Espresso Bar services for your next social gathering.

Espresso Bar

All Gather Coffee offers four different Espresso Bar catering options for your social gathering. Below you will find all the details of each Espresso Bar. If you have something specific in mind and don't see a catering option that fits your needs for your special day please contact us. We are flexible and are open to working with you to create a menu that better suites you and your budget. We serve an Espresso Blend at all events. We guarantee you and your guests will enjoy every sip of our specialty coffee.
